

17th March, 1964.

Form 11A1,

At the Student Council Meeting (12/3/64) the main item for discussion was the term dance. After the place and date was decided, a committee was elected and all work connected with the dance is now in it's hands. The dance will be held on the 28th April, at "RIVERSIDE". Any suggestions will be willingly accepted. Contact Joan Blackburn or myself.

It was decided that all items for discussion at S.C. Meetings would be placed on an agenda and handed to the chairman before the meeting. Following this, anybody who has any complaints or suggestions, personal or otherwise (i.e. from any clubs etc.) should see Joan or myself and the matter will undergo consideration.

Sgd. *R. Ryan*
(Form Captain)

3rd April, 1964.

Form 11A1,

At the Student Council Meeting (2/4/64) questions raised by this class were discussed but because of Departmental Policy, the half-hour at lunch-time on rainy days can not be taken; the abolition of the Sport's Parade on Wednesday was vetoed by higher powers.

Other topics for discussion were the Dance and the School Fete. Any suggestions for the Term Dance should be handed to myself, while any suggestions for the Fete should be taken to Mr. Wilkie for further consideration.

The subject of prefects was discussed and this is now undergoing consideration by higher powers. Any person with further enquiries, complaints or suggestions should see Joan or myself.

Sgd. R. Py...
(Form Captain).

15th May, 1964.

FORM 11A1,

At the STUDENT COUNCIL MEETING (14/5/64) a suggestion was put forward that a number of dances be held for raising funds to send a number of sporting teams on a trip. These dances will be held at the R.S.L. Hall at Newmarket or "TEEN CITY", Red Hill. As much support as possible is required of all students, especially seniors and sub-seniors. (Admission will be reasonable; music - modern).

The question of LUNCH-HOUR ACTIVITIES was put forward and suggestions were given. GYMNASTICS will be held during the lunch-hour for boys and possibly girls. DEBATING may be commenced with enough support as a lunch-hour activity which while a DEPORTMENT AND ETIQUETTE CLASS may be formed for a girls. For details see myself or Gymnastics - Mr. Wilkie.
Debating - Mr. Davies.
Deportment - Miss Sargent.

It is hoped this year that there will be a greater response for magazine - material and consequently all contributions are welcome. Those with art contributions, essays, literature, club reports, should see Mr. Berry or myself,

Sgd...R...Ry...
(Form Captain).

17th June, 1964.

FORM 11A1,

At the Student Council Meeting (11-12/6/64) the main topic under discussion were the Term and Footballers' Dances.

The Term Dance will be held in the last week of term: dress and dances being semi-formal. Price of admission was discussed and it was decided double tickets should be sold at a concession; partners need not be from school. The series of Footballers' Dances is in danger of suspension because of behaviour at the recent dance.

A Students' Newspaper may be established with enough support and the purpose of the paper will be to inform students of activities within the school.

Unfortunately, until the control of the sport's oval and courts is handed over to the school, we are not at liberty to use it and this means it will probably not be ready 'till next year. Any material for the Magazine is welcomed and should be handed to Joan or me.

Sgd. *R. R. R.*
(Form Captain)

4th September, 1964.

FORM 11A2,

At the Student Council meeting (3/9/64) main topic of discussion was the ANNUAL SCHOOL MAGAZINE. Contributions are not many but this does not apply to this form as we are well represented.

The other topic of discussion was the formation of a STUDENT'S NEWSPAPER, plans for which are well under way. Representatives from this form being Al Mitchell and Al Jellie.

The TERM DANCE at RIVERSIDE was reported as being a success and these dances will be continued but it is very unlikely that "TEEN CITY" dances will be continued.

SPEECH NIGHT will be held this year at the FESTIVAL HALL on October 8th. All form members' attendance though not compulsory is required and would be appreciated. Information concerning dress for boys and girls will be given at a later date.

It should be made clear that close-neck blouses for girls are not part of school uniform and should not therefore be worn to school.
