From the heights and valleys round about, We come to gather on the hill, To learn to work and play and search out The way life's promise to fulfil. On the sporting field we strive to win, And play a fair and famous game, High academic honours we'll pull in To bring our School renown and fame. So let the RED and GREEN fly high above All rivals old and new to shame, Scientia ad sidera Scientia ad sidera Scientia ad sidera And hold on high the Golden Rule, Scientia ad sidera Scientia ad sidera We are the Kelvin Grove High School.
