Scientia ad Sidera

*From the heights and valleys round about,
We come to gather on the hill,
To learn to work and play and search out
The way life's promise to fulfil.
We seek to tread the road to glory.*

*And fly through learning to the Stars,
Scientia ad sidera
Scientia ad sidera
And hold on high the Golden Rule,
Scientia ad sidera
Scientia ad sidera
We are the Kelvin Grove High School*

*On the sporting field we strive to win,
And play a fair and famous game
High academic honours we'll pull in
To bring our school renown and fame.
So let the RED and GREEN fly high above
All rivals old and new to shame,
Scientia ad sidera
Scientia ad sidera
And hold on high the Golden Rule,
Scientia ad sidera
Scientia ad sidera
We are the Kelvin Grove High School.*
